

Innovation presenterar:

Examensarbeten i Innovationsteknik, Produktutveckling och Teknisk design

FREDAG 2 JUNI 2023

08.00 SAL 243	Markus Engelin och Arbias Zejnullahu <i>Development and Evaluation of Additive Manufactured Cellular Heat Exchanger</i>
09.00 SAL 243	Mathilde von Gertten <i>Development of Physical Interfaces for Filters</i>
10.00 SAL 243	Henrik Gustafsson <i>Towards Sustainable Bearings: Examining the Prospects of Increasing Recycled Content and Decreasing the Environmental Impact</i>
11.00 SAL 243	Hanna Tollander <i>Additive Manufacturing: Comparative Analysis and Application in Suspension Design</i>
13.00 SAL 243	Duy Long Nguyen <i>Komorebi - A biophilic design concept for enhanced UX in autonomous cars</i>
14.00 SAL 243	Henrik Wikström och Marcus Johansson <i>Sustainable furniture design - giving new life to abundant table tops</i>
15.00 SAL 243	Lovisa Lindström <i>Knowledge Transfer Within Integrated Logistics Support at Saab Kockums - A Case Study</i>
16.00 SAL 243	Hampus Carlqvist <i>The Role of Standards in Product Development: Insights for High Voltage Machines</i>

Innovation presenterar:

Examensarbeten i Innovationsteknik, Produktutveckling och Teknisk design

FREDAG 2 JUNI 2023

08.00 SAL 467	Lovisa Bringman och Emma Christensson <i>Circular Design of a Network Speaker</i>
09.00 SAL 467	Kilian Gülich och Jakub Snizek <i>Guiding Tracks in Overhead Sectional Doors</i>
10.00 SAL 467	Hannah Schrewelius <i>Improving Product Level Sensing in Filling Tubes</i>
11.00 SAL 467	Lovisa Persson Hansson och Martina Lundin <i>HOPA - Human Oriented Product Assessment - ett verktyg för att säkerställa god ergonomi i handhållna produkter under produktutvecklingsprocessen</i>
13.00 SAL 467	Tora Abrahamsson och Juliana Kalling <i>Quality assurance of recycled HDPE in the plastic packaging industry</i>
14.00 SAL 467	Aksel Hansen och Eric Berggren <i>Developing a solution for cooling an intercom unit</i>
15.00 SAL 467	Anna Anderson och Siri Hallqvist <i>Adapting an In-Flight Entertainment system to include Older Users</i>
